7 rue des Dahlias, Uckange,  
France

### Personal Profile

I'm a front end developer, with a good eye for design and details. I'm looking for a position that allows me to demonstrate my skills and creativity.

### Education

#### Université de Lorraine (France)

BUT Informatique

- Started 2022

#### At Home

- ReactJS
- NodeJS
- MySQL

#### Cal Molins (Barcelona)

Front-End training

- 6 months (2021).
- Here I started my career as web developer.
- HTML, CSS, JS

#### University EUSS (Barcelona)

Degree in Mechanical and Electronic Engineering

- I studied for two years (2019 - 2021).
- I left it because computer science calls my attention more

### Professional Experience

#### My Own Projects

Designing websites

- I have some of my projects in my Portfolio in my website ([www.khaffoum.com](http://www.khaffoum.com)).
- Design websites.
- Games with JavaScript.

#### Web Design

Professional Practices  
Idearium (Barcelona)

- 2 months (2021).
- Front-End Design using WordPress and CSS.
